You're Not One

NoMeansNo

Mother, father, sister, brother
Now you know where you belong
Mother, father, sister, brother you are one husband,
Wife, daughter, son now you know where you belong
Husband, wife, daughter, son you are one it's a lie,
We're just good friends
What have you seen, what have you heard?
It's a lie, it's a lie what do you fell,
What do you feel, what do you feel?
Mother, father, grandmother, grandfather
Great grandmother, great grandfather
Great great grandmother
Mother of all motherfuckers,
Mother of all motherfuckers
Protect me, protect me, protect me!
You are not one
