

# You're Not One

## NoMeansNo

Mother, father, sister, brother

Now you know where you belong

Mother, father, sister, brother you are one husband,

Wife, daughter, son now you know where you belong

Husband, wife, daughter, son you are one it's a lie,

We're just good friends

What have you seen, what have you heard?

It's a lie, it's a lie what do you fell,

What do you feel, what do you feel?

Mother, father, grandmother, grandfather

Great grandmother, great grandfather

Great great grandmother

Mother of all motherfuckers,

Mother of all motherfuckers

Protect me, protect me, protect me!

You are not one
