

# SALAAM

Sami Yusuf

I dream for a day  
When therell be  
No more miseryWhen theres no more hunger  
No need for shelter  
Isnt there enough to share  
Or is that we just dont care?Were here for a day or twoLet me show my way  
Salaamu alaik, Salaamu alaik, Salaamu alaikum  
I pray for a day  
When therell be  
Justice and unityWhere we put aside our differences  
Fighting makes no sense  
Just a little faith  
To make it a better placeWere here for a day or twoLet me show my way  
Salaamu alaik, Salaamu alaik, Salaamu alaikum  
Salaamu alaikum Ya ahlas-salaam, Salamu alaikum  
Salaamu alaikum Sayyid al-Kiram, Salaamu alaikum  
Let me show my waySalaamu alaikum, alaikum, alaikum
