

Pistol Packin'â€™™ Mama

Bing Crosby & The Andrews Sisters

Yo, this one right here is for all the drop out-of-schoolers
The future cougars
The Mary Jane abusers
The ones that chose to be losers
For all the misfit kids and the total outcasts MKTO
This one's for you ole models
We are the ones
The ones you left behind
Don't tell us how
Tell us how to live our lives
Ten million strong
We're breaking all the rules
Thank you for nothing
Cause there's nothing left to lose
Thank you for feeding us years of lies
Thank you for the wars you left us to fight
Thank you for the world you ruined overnight
But we'll be fine
Yeah we'll be fine
Thank you for the world you broke
Like yolk and it ain't no joke
So cold and there ain't no coat
Just me, my friends, my folks
And we gonna do what we like
So raise that bird up high
And when they ask you why
Just stand there laugh and smile
We are the ones
The ones you left behind
Don't tell us how
Tell us how to live our lives
Ten million strong
We're breaking all the rules
Thank you for nothing
Cause there's nothing left to lose
Na na na na
Na na na na na na
Na na na na
Na na na na na na

Thank you for the times you said don't make a sound
Thanks for the ropes you used to hold us down
'Cause when I break through I'ma use them to reach the clouds
We ain't comin' down (Come on)
We ain't comin' down (Hey)
Look, ma, I finally made it
This world is too damn jaded
My life is just like Vegas
Go big, go home get faded
Been a prob since '92
Can't shut me down curfew
And them girls I'll take a few
Do what I wanna do
We are the ones
The ones you left behind
Don't tell us how
Tell us how to live our lives
Ten million strong
We're breaking all the rules
Thank you for nothing
'Cause there's nothing left to lose
Na na na na
Na na na na na na
Na na na na
Na na na na na na
Thank you from the bottom of my heart
From head to toe from the soul you ripped apart
I say
I say thank yooouuu
(Thank you)
(Thank you)
Yeaaaa
Yeaaaa
We are the ones
The ones you left behind
Don't tell us how
Tell us how to live our lives
Ten million strong
We're breaking all the rules
Thank you for nothing
'Cause there's nothing left to lose
Yo! If you don't like what they tell you to do
Don't do it
If you don't want to be who they want you to be
Screw it!

It's your world
It's your life
And they ruined it
Role models
Tune in
Turn up
Drop out
(Na na na)
(Na na na na na na)
