

# Flag

## Front 242

Combination  
All in one wave  
None on their side  
Or in-between Unite  
Has always been on your mind  
No long-forgotten quest  
No accidental thirst Combination  
All in one team  
Starting no war  
Or fantasy Allied  
To make this glorious cause  
A fatal burst of rage  
A pure and ruthless force
