All Heroes

My heart is yours, but time was always...My heart is yours, but time was always against us
My heart is yours, but time was always against us
My heart is yours, but time was always against us
My heart is yours, but time was always against usI traveled far to the ends of the earth
The strife of a losing battle
I am infinity, Chronos my enemy
You bandied 'em hearts no more
This day is mine!My heart is yours, but time was always against us
My heart is yours, but time was always against us
My heart is yours, but time was always against us
My heart is yours!
