

# Take Them On, On Your Own (Reverse Hidden Track)

## Black Rebel Motorcycle Club

I keep waiting to see who's gonna say the things I need to know  
I keep waiting to see who's gonna say the things I need to know  
I keep waiting to see who's gonna say the things am I alone  
I keep waiting to see who's gonna say the things am I alone You take them on, on your own  
You take them on, on your own  
You take them on, on your own  
You take them on, on your own You take them on, on your own  
You take them on, on your own  
You take them on, on your own  
You take them on, on your own
