

I Had to Carry Her (Virginia's Song)

William Fitzsimmons

I saw her lying there on the table
Buried in flowers cross that I made for her
Kneeling beside you next to my mother weeping like willows
I had to carry her

Iâ€™m sorry it took me two years to come home
Iâ€™ve been so busy you should see how the kids have grown
Iâ€™ll tell the children how much you loved them
Theyâ€™ll never know you
I had to carry her
