

Familiar Taste of Poison (Radio Version)

Halestorm

Drink the wine,
My darling you said
Take your time,
And consume all of it
Let the roses,
Only to drain my inspiration
The promises,
Was born before they left your lips I breath you in again
Just to feel you
Underneath my skin,
Holding on to
The sweet escape,
Is always laced with a,
Familiar taste,
Of poison I tell myself,
That you're no good for me
I wish you well,
But desire never leaves I can fight this to the end,
But maybe I don't wanna win I breath you in again
Just to feel you
Underneath my skin,
Holding on to
The sweet escape,
Is always laced with a,
Familiar taste,
Of poison I don't wanna be saved,
I don't wanna be saved,
And I,
Want you on my mind
In my dreams,
Behind these eyes,
And I,
Wanna wake up,
No, not this time I breath you in again
Just to feel you
Underneath my skin,
Holding on to
The sweet escape,
Is always laced with a,

Familiar taste,
Of poisonA familiar taste,
Of poisonA familiar taste,
Of poison
