Look to the future

Samson

Give you all all that your heart desiresI give you all
All that your eyes admire

I bring the music in your soul
I bring the sunshine to your door
I make your winter look like spring
I am the diamond in your ring

Confusion in my brain
You're driving me insane
Disorder in my brain
You're driving me insane

I feel intimidated, infiltrated
Mentally infatuated
Agitated, captivated
Innerly contaminated
Irritated, dominated
Constantly manipulated
Penetrated, isolated, segregated
All because of you
All because of you

I show you all all that you want to see
I show you all visions of you and me

I am the sweetness in your talk
I am the rhythm in your walk
I do believe that God above
Created you for me to love
