

Soothe My Soul

Depeche Mode

I'm coming for you
When the sun goes down
I'm coming for you
When there's no-one around
I'll come to your house
Break down the door
Girl I'm shaking
And I need more
There's only one way to soothe my soul
Only one way (only one way)
I'm coming for you
I need to feel your skin
I'm coming for you
To stop this crawling
I'm taking my place

By your side
And I'm not leaving
Until I'm satisfied
There's only one way to soothe my soul
Only one way (only one way)
I'm coming for you
My body's hungry
I'm coming for you
Like a junkie
I can't stop
Desire in me
I'm not waiting
Patiently
There's only one way to soothe my soul
Only one way (only one way)
