

# California Dreamin' - Clubhouse Single

## Royal Gigolos

Hold me, my sweet  
Hold me love  
Hold me god  
And I shout the sound for the soul  
A portal  
I travel through time  
All my senses burn  
The portal can learn  
The portal can burn  
Hold me  
Hold me  
Hold me

California  
All the leaves are  
California  
California

All the leaves are brown and the sky is gray  
I've been for a walk on a winter's day  
I'd be safe and warm if I was in L.A.  
California dreamin' on such a winter's day

California  
All the leaves are

All the leaves are brown and the sky is gray  
I've been for a walk on a winter's day  
I'd be safe and warm if I was in L.A.  
California dreamin' on such a winter's day

Hold me, my sweet  
Hold me love  
Hold me  
Hold me  
Hold me
