When You Look At Me

Brandon Heath

To be known from the inside out
What's under the hood? Battle the good, to be known
To be found in my hiding place
And be received, I'm so relieved to be found
There's no shame, I'm not the same
When you look at me
I'm just now finding out what it really means
It's like I'm barefoot, running through a golden field
Like a child; that's how You make me feel
Oh, Lord, when You look at me
It's like I'm 12 feet tall without a care
Your forgiveness feels like floating on air
Oh, Lord, when You look at me
To be loved, like I've never loved
So complete, You want me to be loved
There's no shame, I'm not the same
When you look at me
I'm just now finding out what it really means
It's like I'm barefoot, running through a golden field
Like a child; that's how You make me feel
Oh, Lord, when You look at me
It's like I'm 12 feet tall without a care
Your forgiveness feels like floating on air
Oh, Lord, when You look at me
There's no shame, I'm not the same, oh God (when You look at me)
I come alive inside, oh God (when You look at me)
You heal my heart, every scar, oh God (when You look at me)
No scars (when You look at me), no shame (when You look at me)
I am loved, when You look at me
It's like the weight of the world falls off of me
And I can just be who You made me to be
Oh, Lord, when You look at me
It's like I'm barefoot, running through a golden field
Like a child; that's how You make me feel
Oh, Lord, when You look at me
It's like I'm 12 feet tall without a care
Your forgiveness feels like floating on air
Oh, Lord, my Lord
When You look at me, when You look at me
