Be Alright

Anttix

1-2"Yeah mate turn my up"1-2-3-4Over slept and I'm late again
and its just another day
tryin' to get to the end
Life's hard, we know it
Keep calm, carry on, and keep going.It's a crazy life we're living
So much my head is spinning
Sometimes I don't know what I'm thinking
When you feel like you're gonna explode just
Let go, Forget it
You're a bad ass kid you're wi-wi-wicked
Don't give up so easily
You don't have to worry about a thingCus everything is gonna be...Be alright, Be Alright, Be Alright
Alright when it comes to you
Alright Alright Alright, Uh,
Alright when it comes to you
Be Alright, Alright Alright
When it comes to me and you.When you feel like your life is outta hand
And you feel like your friends don't understand
All you need is some conversation
Take control of the situationIt's a crazy life we're living
So much my head is spinning
Sometimes I don't know what I'm thinking
When you feel like you're gonna explode just
Let go, Forget it
You're a bad ass kid you're wi-wi-wicked
Don't give up so easily
You don't have to worry about a thingCus everything is gonna be...Be alright, Be Alright, Be Alright
Alright when it comes to you
Alright Alright Alright, Uh,
Alright when it comes to you
Be Alright, Alright Alright
When it comes to me and you.Woah-woah
Everybody sing with me
Woah-Woah
Cus Everything is gonna be (x2)Be alright, Be Alright, Be Alright
Alright when it comes to you
Alright Alright Alright, Uh,
Alright when it comes to you
Be Alright, Alright Alright

When it comes to me and you.
