Deeper Understanding

Kate Bush

As the people here grow colder, I turn to my computer
And spend my evenings with it like a friend
I was loading a new programme
I had ordered from a magazine
Are you lonely, are you lost?
This voice console is a must
I press execute
Hello, I know that you've been feeling tired
I bring you love and deeper understanding
Hello, I know that you're unhappy
I bring you love and deeper understanding
Well, I've never felt such pleasure
Nothing else seemed to matter, I neglected my bodily needs
I did not eat, I did not sleep, the intensity increasing
'Til my family found me and intervened
But I was lonely, I was lost
Without my little black box
I pick up the phone and go, execute
Hello, I know that you've been feeling tired
I bring you love and deeper understanding
Hello, I know that you're unhappy
I bring you love and deeper understanding
Hello
Love and deeper understanding
I turn to my computer like a friend
I need deeper understanding
Give me deeper understanding
[Inaudible]
