

# Cleaning This Gun (Come On In Boy)

Rodney Atkins

The Declaration of Independence  
Think I could tell you that first sentence but then Im lost  
I can't begin to count the theories  
I've had pounded in my head that I forgot I don't remember all that Spanish  
Or The Gettysburg Address  
But there is one speech from high school  
I'll never forget Come on in boy, sit on down  
And tell me about yourself  
So you like my daughter, do you now?  
Yeah, we think she's something else She's her daddy's girl  
Her momma's world  
She deserves respect  
That's what she'll get, aint it son? Now, y'all run along and have some fun  
I'll see you when you get back  
Bet Ill be up all night  
Still cleaning this gun Well, now that Im a father  
Im scared to death one day my daughter  
Is gonna find that teenage boy I used to be  
That seems to have just one thing on his mind Shes growin' up so fast  
It won't be long before  
Yeah, Ill have to put the fear of God  
Into some kid at the door Yeah, come on in boy, sit on down  
And tell me about yourself  
So you like my daughter, do you now?  
Yeah, we think she's something else She's her daddy's girl  
Her momma's world  
She deserves respect  
That's what she'll get, now ain't it son? Now yall go out and have some fun  
And I'll see you when you get back  
Probably be up all night  
Still cleaning this gun Now it's all for show  
Aint nobody gonna get hurt  
Its just a daddy thing  
And hey, believe me, man, it works Come on in boy sit on down  
And tell me about yourself  
So you like my daughter, do you now?  
Yeah, we think she's something else She's her daddy's girl  
Her momma's world  
She deserves respect

Thats what she'll get, ain't it son?Now yall run along and have a little fun  
And I'll see you when you get back  
Probably be up all night  
Still cleaning this gunSon, now y'all buckle up  
And have her back by 10:00, uh  
Let's say about 9:30  
Drive safe
