We Are One (Kiko Navarro New Life Instrumental)

Blaze

Can't understand
Why we treat eachother in this way
Taking up time
With the silly silly games we play
We've got our love
And no matter how it's said or done
We are one no matter what we do
We are one love will see us through
We are one and that's the way it is
Sometimes I feel
That we try and make eachother sad
The things we do
How we make eachother feel so bad
We've got so muchWe could all be having so much fun
We are one from the very start
We are one deep down in your heart
And that's the way it is
I Can't understand
Why we treat eachother in this way
Taking up time
With the silly silly games we play
We've got our love
And no matter how it's said or done
We are one no matter what we do
We are one love will see us through
We are one and that's the way it is
