

This Means War

Joan Jett And The Blackhearts

I been knockin' the walls down
Tryin' to get to you
But I won't wait forever
You gotta let me through Now, I've been diplomatic
But I don't know what for
'Cuz you hurt me, now just watch me
I won't take no more This means war
And you will see it's senseless
This means war
And soon you'll be defenseless
'Cuz you can't win this war There will be no replacements
You better get your gun
Because I'm comin' after you
For everything you done And then when you are captured
It won't be like before
'Cuz you teased me, deceived me
This is what's in store This means war
And you will see it's senseless
This means war
And soon you'll be defenseless
'Cuz you can't win this war You avoid reality
In the calm before the storm
It hurts me so to fight with you
But since you closed the door This means war
And you will see it's senseless
This means war
And soon you'll be defenseless This means war
And you will see it's senseless
This means war
And soon you'll be defenseless
'Cuz you can't win this war No, you can't win this war
No, you can't win this war
