

# Violent Youth (Live vs Studio Mix by TETSUJIN)

## Crystal Castles

Show up in your lace  
Drink up little girl  
And they will always let you down  
Hold your mother's pearl Show up in your lace  
Up to your cheekbones  
Prevention is the only cure  
Kiss them through windows  
Throw up in your plate Look angelical  
If you sleep before I arrive  
I'll pray for you my girl  
A flower on fire  
And I will always let you down
