Walk On

4HIM

The wind blows hard
The climb is slow
Shadows are dark
I stumble on these stones
But my Lord, You are near
I will not fear

I chose to take this road called faith
I will walk on
I trust that You will lead me through
I will walk on

No end in view
At times I feel alone and the signs are few
But at least they all say home
And You my Lord, You're the hope I hold
Strength of my soul

I chose to take this road called faith
I will walk on
I trust that You will lead me through
I will walk on

Because of love
There was an awful hill You climbed
And because of love
I'll live my faith
One step at a time
The course is set
Life's hard but yet
We will walk on
Around each bend, until the end
We will walk on

We chose to take this road called faith
We will walk on
We trust that You will lead me through
We will walk on
We Will Walk On

We Will Walk On

I chose to take this road called faith
I will walk on
I trust that You will lead me through
I will walk on
