

Everybody Wants to Go to Heaven

Love and Rockets

Everybody wants to go to heaven
Everybody wants to go to heaven
Everybody wants to go to heaven
Heaven, do you wonder if heaven is true? Do you want to see an angel?
Do you want to see an angel?
Do you want to hear an angel?
Angel, do you wonder if angels are true? The picket and the policeman
The astronaut in the space
The skinhead and the student
The one who wears your face Do you want to see the kingdom
Without a king?
Do you ever really wonder
If there is such a thing? The future king of England
The little boy in school
The TV commentator
The prophet and the fool The vicar and the rapist
The prisoner and the judge
The girl who works in Tesco's
The critic with a grudge The rebel and the teacher
The vandal and the saint
The aids patient and the preacher
The one who says he ain't going anywhere Everybody wants some heaven
Everybody wants some heaven
Everybody wants some heaven Do you want to go to heaven?
Do you want to hear an angel?
Do you want to see the kingdom?
Oh yeah
