

# All Alone

## Kutless

Icy chills round your heart, a heart that's made of stone  
It seems like life is out to get you, to destroy what you want  
I know that, that you blame me for all that you go through  
It could be so different if you would just let it go  
You're all alone, running out of ways to  
Hold on to hope and it always slips away  
You're all alone but you don't have to  
Pretend to cope, there is a brighter way  
If you would change your perspective, you'd see that it is true  
Life is not always what you want, sometimes it's hard to bear  
I'd be with you and help you in all that you go through  
I love you, let me change your heart by coming in  
You're all alone, running out of ways to  
Hold on to hope and it always slips away  
You're all alone but you don't have to  
Pretend to cope, there is a brighter way  
A way, there is a brighter way  
Yeah, there is a brighter way  
You're all alone, running out of ways to  
Hold on to hope and it always slips away  
You're all alone but you don't have to  
Pretend to cope, there is a brighter way  
A way, there is a brighter way  
Yeah, there is a brighter way (Hold on to hope)  
There is a brighter way  
(Hold on to hope)  
There is a brighter way
