

# Grow A Pear

Ke\$ha

Last night I had enough of you  
I put on the brakes  
And I can tell you took it hard  
It was all over your face That you were slippin' and flippin'  
But here is the sitch  
I signed up for a man  
But you are just a bitch You should know  
That I love you a lot  
But I just can't date  
A dude with a vag When we fell in love  
You made my heart drop  
And you had me thinking  
'Bout you non-stop But you cry about this  
And whine about that  
When you grow a pear  
You can call me back Yeah, I think you're hot  
I think you're alright  
But you're acting like a chick  
All the time You were cool and now  
You're not just like that  
When you grow a pear  
You can call me back When I first met you, panties droppin'  
Every time I saw you it was on and  
One day you asked if we could just talk  
That's the reason why I'm walking If I am honest, I'm just not hooked on your phonics  
I'm not trying to be rude or crude  
I just wanted one thing from you  
And you got confused You should know  
That I love you a lot  
But I just can't date  
A dude with a vag When we fell in love  
You made my heart drop  
And you had me thinking  
'Bout you non-stop But you cry about this  
And whine about that  
When you grow a pear  
You can call me back Yeah, I think you're hot  
I think you're alright  
But you're acting like a chick

All the time You were cool and now  
You're not just like that  
When you grow a pear  
You can call me back When you grow a pear  
You can call me back  
When you grow a pear  
You can call me back Grow a pear  
You can call me back  
When you grow a pear  
You can call me back Grow a pear, you can call me back  
And no, I don't want to see your mangina  
When you grow a pear  
You can call me back When we fell in love  
You made my heart drop  
And you had me thinking  
'Bout you non-stop But you cry about this  
And whine about that  
When you grow a pear  
You can call me back Yeah, I think you're hot  
I think you're alright  
But you're acting like a chick  
All the time You were cool and now  
You're not just like that  
When you grow a pear  
You can call me back
