

# I Think Of You

## The Merseybeats

When the night is cold  
And my arms want someone to hold  
I think of you  
When the rain is falling  
I hear you calling to me  
I think of you

I think of you every minute  
I lie awake each lonely night  
I think of you, yeah that day  
You walked away and out of sight

Well now my arms just long to hold you  
Like they used to do-oo before  
I'm a broken man  
Now you don't love me no-o more

Now the night is cold  
And my arms want someone to hold  
I think of you  
Now the rain is falling  
I hear you calling to me  
I think of you

I think of you every minute  
I lie awake each lonely night  
I think of you, yeah that day  
You walked away and out of sight

Well now my arms just long to hold you  
Like they used to do-oo before  
I'm a broken man  
Now you don't love me no-o more

When the night is cold  
And my arms want someone to hold  
I think of you  
When the rain is falling  
I hear you calling to me  
I think of you

I think of you
