Well, my daddy never drank no whiskey
He never wet his liver with gin
My momma said she loved nobody else
But she really loved the drinking manRespectable though my daddy was
Until he heard of mama's sin
He drank every drop of liquor in this place
And we never saw my daddy againBecause everybody loves a drinking man
Everybody loves a drinking manWell, my uncle was a real good talker
He'd talk the beak off a myna bird
Until someone dropped a glass of whiskey in his hand
He never said another wordBecause everybody loves a drinking man
Everybody loves a drinking manSo understand that people will judge you
On your good and not your words
So if you're looking for a favor or two
You may likely die of thirstBecause everybody loves a drinking man
Everybody loves a drinking manEverybody loves a drinking man
Everybody loves a drinking man
