Get the Party Started

Girl Authority

I'm coming up so you better get this party started
im coming up im coming
I'm coming up so you better get this party started
im coming up im coming

Get this party started on a Saturday night
Everybody's waiting for me to arrive
Sending out the message to all of my friends
We'll be looking flashy in my Mercedes Benz
I got lots of style check my gold diamond rings
I can go for miles if you know what I mean

I'm coming up so you better get this party started
im coming up im comin
I'm coming up so you better get this party started
im coming up im coming

Pumping up the volume breaking down to the beat
Cruising through the Westside we'll be checking the scene
Boulevard is freaking as I'm coming up fast
I'll be burning rubber you'll be kissing my ass
Pull up to the bumper get out of the car
License plate says Stunner #1 Superstar

I'm coming out so you better get this party started
im coming up im coming
I'm coming out so you better get this party started
Get this party started

Making my connection as I enter the room
Everybody's chillin' as I set up the groove
Pumping up the volume with this brand new beat
Everybody's dancing and they're dancing for me

I'm your operator you can call anytime
I'll be your connection to the party line
I'm comin' up so you better get this party started
im coming up im coming
I'm comin' up so you better get this party started
im coming up im coming

I'm comin' up so you better get this party started
im coming up im coming
I'm comin' up so you better get this party started
im coming up im coming
Get this party started
Get this party started right now
Get this party started
Get this party started
Get this party started right now
