

Life In California (Ft. Jayo And WC)

Ice Cube

[Chorus]

Living just another day
way

L.A. to the bay

Living life in California Dough, we get that dough

Ooh, we got to get more

Living just another day
(just another day)

A.K. gun play

(A.K. gun play)

La to the bay

(la to the bay)

Living life in California And Jay-Z can rap about the N.Y.C.

Why can't I talk about the shit I see?

Without Alicia Keys without going R & B

This is ain't no Motown this is R.A.P. It's a beautiful day in the neighborhood yea

Where niggas cant stay if his name ain't good

All the way from the bay to L.A. Inglewood

This is how it is when you're living in California California swagger fuck record sales

Industry outlaw like Josie Wales

California off the corner

I'm a warn ya I'm the only west coast king

Idiot I mean I'll get you in the ring

I'm as shitty as Don King

And taking all the money before the bell ring

Before I grab the mic the fat bitch sing

It's already over supernova

I'm Kobe you a nigga I'm hooping over

Know me big homie

The one and only

Ice Cube don't get airplay

Cause I'm from L.A. and rep where I stay It's a beautiful day in the neighborhood

Where niggas get sprayed A.K. and it's good

Bitches don't get placed set niggas up good

It's real in the field when you're fucking with California See it's just another day in my neighborhood

First thing off in the morning and I'm looking for that good

Sticking to my fingertips sitting on the hills

And I'm overlooking the city man this shit is for real

See the yak in my cup?

And the 'lac on switches bra
It'll be a long that's what we got these bitches for
Bounce like its a earthquake let it shake
Let's see how much noise we can make the city make
See it's just another day in my neighborhood
And the police ain't fucking with me knock on wood
Or my shoes cause he blew my socks so good
Dope shot never knew I'd shoot my glock so good
I'm walk like coke and that's all they wanna hit
And they just can't do but they all wanna spit
Wit' my padre head on
See I tried to warn them fuck around
You know what goes down in CaliforniaDough, we get that dough
Ooh, we got to get more
Living just another day
(just another day)
A.K. gun play
(A.K. gun play)
L.A. to the bay
(L.A. to the bay)
Living life in California(rap)Dough, we get that dough
Ooh, we got to get more
Living just another day
A.K. gun play
L.A. to the bay
Living life in California
Dough we get that dough
Ooh we got to get more
