

# Future X Wife

## Smash Mouth

I could be the one,  
Will we ever know  
I'm buying you a ring  
And that's just how I roll  
I think we've got a shot  
I'll treat you really nice  
So tell me do you wanna,  
Do you wanna be? I need to have and hold  
That's just the way I am  
I do it all the time,  
I do the best I can  
And if we fall apart,  
I'll still be in your life  
So tell me do you wanna be My future ex wife,  
Let me take you home  
Can't you see that I  
Don't wanna be alone  
And keep me up all night,  
Never let me go  
Turn off all the lights,  
I don't wanna fight  
With my future ex wife,  
Yeah my future ex wife And if we had a kid,  
I'd give you all my money  
The check is in the mail  
And I'll still call you honey  
There'll be no regret,  
I promise that's no lie  
So tell me do you wanna be My future ex wife,  
Let me take you home  
Can't you see that I  
Don't wanna be alone  
And keep me up all night,  
Never let me go  
Turn off all the lights,  
I don't wanna fight  
With my future ex wife,  
Yeah my future ex wife What is it that you just don't understand  
And I can't imagine you with another man

Whoa, whoa, whoa, whoa oh  
Whoa, whoa, whoa, whoa ohMy future ex wife,  
Let me take you home  
Can't you see that I  
Don't wanna be alone  
And keep me up all night,  
Never let me go  
Turn off all the lights,  
I don't wanna fight  
With my future ex wife,  
Let me take you home  
Can't you see that I  
Don't wanna be alone  
And keep me up all night,  
Never let me go  
Turn off all the lights,  
I don't wanna fight  
With my future ex wife,  
Yeah my future ex wife  
My future ex wife
