A Heart Like Yours

Sierra

So quick to anger
And so rarely slow to speak
My best intentions
Pick the worst of times to leaveLord, make me stronger
Help me stand up to the test
I want to give my all
Instead of just what's leftI am longing
For a heart like Yours
Full of goodness
Faithful, pureLeading a path
Straight to Heaven's door
I am longing
For a heart like YoursThe robes of mercy
Are what broken people need
But chains of judgment
Seem to come more easilyLord, take this pride
That's always standing in my way
So I can see a different world
Through eyes of graceI am longing
For a heart like Yours
Full of goodness
Faithful, pureLeading a path
Straight to Heaven's door
I am longing
For a heart like YoursLeading a path
Straight to Heaven's door
I am longing
For a heart like YoursI am longing
For a heart like Yours
