

Tell It Like It Is (Re-Recorded / Remastered)

[Aaron Neville](#)

If you want something to play with
Go and find yourself a toy
Baby, my time is too expensive
And I'm not a little boy If you are serious
Don't play with my heart, it makes me furious
But if want me to love you
Then, baby, I will, girl, you know I will Tell it like it is
Don't be ashamed to let your conscience be your guide
But I-I-I-I know deep down inside of me
I believe you love me, forget your foolish pride Life is too short to have sorrow
You may be here today and gone tomorrow
You might as well get what you want
So go on and live, baby, go on and live
