The Problem

J.J. Cale

Have you heard the news that's goin' 'round here?
The man in charge has got to go
'Cause he dances 'round the problem, boy
And the problem is the man in charge you knowNow, the young knows what I'm talking 'bout
It's a con in the old man's game
The man in charge, he don't know what he's doing
He don't know the world has changedPower seems to be so far up
The man on the street ain't got a clue
The high top cat's running your life
Thinks the problem is me and youBorn in a time that has gone by
The old tell the young what to do
Have you heard the news that's goin' 'round here?
The problem is the man in charge of you
The problem is the man in charge of youPower seems to be so far up
The man on the street ain't got a clue
The high top cat's running your life
Thinks the problem is me and youHave you heard the news that's goin' 'round here?
The man in charge has to go
The man in charge has got to go
Man in charge has to go
