slumber (feat. lucy rose)

Lewis Watson

One, two, three, fourCome sing me a slow
Keep me un-alone
Until I go to sleep
Until I go to sleep
The faint smell of your clothes
Reminds me that im home
Sink me into sleep
Sink me into sleepLately I've been laying lonely, love
Longing to be dreaming of
Only you who can calm the thunders
Only you who can steal the colors, oh
It's only you, my love
Only you, my love
It's only you
Come ease my slumber
We'll watch the sky explode
From the beautiful
When we're both asleep
When we're both asleep
Keep the light away
Let the night time play
When we're both asleep
When we're both asleepLately I've been laying lonely, love
Longing to be dreaming of
Only you who can calm the thunders
Only you who can steal the colors, oh
It's only you, my love
Only you, my love
It's only you
Come ease my slumber
Come sing me a slow
Keep me un alone
Until I go to sleep
Until I go to sleep
