

# Reset III (feat. Joe)

Isaac Carree

Back to the drawing board  
Seems like I'm wasting half on my life  
Oh, oh, it's gotta be something more  
You gotta find me quick,  
Cause we're running out of time.  
And who said?  
You can make a new score  
Tell me who said,  
But you're stuck where you are  
And when you change your mind,  
I promise you'll change your heart!  
All you got to do is reset, reset, reset  
The narrowness behind you  
I'm here to remind you that you can't  
Reset, reset, rest, yeah  
It's not over, you can't say it's over!
