

# Angel Flying Too Close to the Ground

Willie Nelson

If you had not have fallen  
Then I would not have found you  
Angel flying too close to the groundAnd I patched up your broken wing  
And hung around a while  
Tryin' to keep your spirits up  
And your fever downI knew someday that you would fly away  
For love's the greatest healer to be found  
So leave me if you need to, I will still remember  
Angel flying too close to the groundFly on, fly on past the speed of sound  
I'd rather see you up than see you down  
So leave me if you need to, I will still remember  
My angel flying too close to the groundLeave me if you need to, I will still remember  
My angel flying too close to the ground
