

# Shotgun Willie

Willie Nelson

Shotgun Willie sits around in his underwear  
Bitin' on a bullet and pullin' out all of his hair  
Shotgun Willie's got all his family there Well you can't make a record if you ain't got nothing to say  
You can't make a record if you ain't got nothing to say  
You can't play music if you don't know nothing to play  
Shotgun Willie sits around in his underwear  
Bitin' on a bullet and pullin' out all of his hair  
Shotgun Willie's got all his family there Now John T. Floores was working for the Ku Klux Klan  
The six foot five John T. was a hell of a man  
Made a lotta money selling sheets on the family plan  
Shotgun Willie sits around in his underwear  
Bitin' on a bullet and pullin' out all of his hair  
Shotgun Willie's got all his family there
