

# Good Grief (feat. Diamante)

## Flatbush ZOMBiES

Ain't no question 'bout this paper  
My mind is on a different angle  
Wish I could cop that coupe for all my good niggas  
I Thank you, good riddance, good business  
Good grief, what is?  
We smoking marijuana for free  
Ain't no question 'bout this paper  
My mind is on a different angle  
Wish I could cop that coupe for all my good niggas  
I thank you, good riddance, good business  
Good grief, what is?  
We smoking marijuana for free Since a soldier saw the surface  
I cracked the canvas and cursed it  
Part of me wasn't good enough  
But a picture ain't perfect  
What is proper and purpose?  
Leaving families hurting  
She don't trust me at all  
She put a lock on her purses  
Part of me don't deserve ya'  
Pardon bruh, I was nervous and this is a new beginning  
We fly so come feel the turbulence  
Never bow to that serpent  
Dreamed and found out I'm worth it  
Soul circuit, love lurking and close curtains  
And I be that bigger person  
And this my seed, she nurse it  
I stimulate her mind, she challenge me while we rehearse it  
Smoking on this weed got me feeling like a wordsmith  
Another word to nigger, per fect, no? Shit nigga, uhh  
Ain't no question 'bout this paper  
My mind is on a different angle  
Wish I could cop that coupe for all my good niggas  
I thank you, good riddance, good business Good grief, what is?  
We smoking marijuana for free  
Ain't no question 'bout this paper  
My mind is on a different angle  
Wish I could cop that coupe for all my good niggas  
Thank you, good riddance, good business

Good grief, what is?  
 We smoking marijuana for free I'm addicted to the Henny  
 All of these bitches with me  
 I've done been around the world  
 Pussy nigga, see me  
 Fuck it nigga, forgive me Pussy, money and drugs  
 Mary, nothing above  
 Shark hoodies, backwoods, Rizla, OG  
 Puff puff, homie rest up  
 Just us against the world  
 Finger fuck it like my nine bustin'  
 It's no discussion, quit the rushin'  
 If D's coming get the flushing', all of a sudden  
 Heard you was fucking with other niggas  
 I ain't bluffing, locked up, now luxed up  
 Handcuffed, now hand cuff  
 Unfaithful bitch love the taste of dick  
 Only faithful to my bros  
 My rights and my wrongs  
 Some nights I play, 2Pac and zone  
 Pop on my phone, selling and flipping  
 Bounce to my own  
 True to the beat, LSD by the sheet  
 My flow is part of the beat  
 I know it's hard to believe that you're part of the seed  
 Sometimes it's hard to breath  
 All my needs reaper, please leave my soul at ease Ain't no question 'bout this paper  
 My mind is on a different angle  
 Wish I could cop that coupe for all my good niggas  
 I thank you, good riddance, good business  
 Good grief, what is? We smoking marijuana for free  
 Ain't no question 'bout this paper  
 My mind is on a different angle  
 Wish I could cop that coupe for all my good niggas  
 Thank you, good riddance, good business  
 Good grief, what is?  
 We smoking marijuana for free Aiiiaah, uuhhhh  
 I can't wait 'til we get on  
 So we can get what we want  
 I gotta get what I want, baby-yyy-eh  
 Hey-o, heeeyyy, hey-o, heeeyyy, hey-o  
 Heeeey-o-eeeyyy-oooooh  
 Oooooh, heeey-o-eeuh, huuuuuh
