Love Me Now

Gino Vannelli

Yes I know how much you love me
Can't you realize, I'd cause you just pain
'Cause men like me, capricious and free
Live life alone and confused
Yet loving whoever they chooseYes I know how much you need me
But I just patronize with this affair
'Cause all my life, I've needed to be
A man with a mind full of craves
Living to learn from each phaseLove me now while I'm here
Love you this man
Take me as I am
The storm in your lifeAnd hear me out
I've something to say
Love is a moment in time
And now that it's yours and it's mineLove me now while I'm here
Love you this man
Take me as I am
The storm in your life
