

Yesterday Is Dead And Gone

Arch Enemy

The fire's inside us tonight
These bridges will burn so bright
Tomorrow bears our name
No more power games Reaching for the light beyond
We will rise through the dark again
Ready to fight for what
We believe to be right
Yesterday is dead and gone Rattling the chains
Shaking the cage
Heed our war cry
Let there be no doubt
We want out
This is reckoning day We are standing in the flames
Reaching for the sky
Fight until the end
Yesterday is dead and gone Under a blood red sky
Our voice will be heard
In a world
Where compassion is lost
You try to control us
This is so absurd
Freedom will be won at any cost Breaking the chains
Shaking the cage
Heed our war cry
Let there be no doubt
We walked out
This is reckoning time We are standing in the flames
Reaching for the sky
Fight until the end
Yesterday is dead and gone Yesterday is dead and gone Rattling the chains
Shaking the cage
Heed our war cry
Let there be no doubt
We want out
This is reckoning day This is reckoning day
Yesterday is dead and gone
