

# Mockingbird

## Gloritone

Yeah, I know sometimes  
Things may not always make sense to you right now  
But hey, what daddy always tell you? Straighten up, little soldier  
Stiffen up that upper lip, what you cryin' about? You got me  
Hailie I know you miss your mom and I know you miss your dad  
When I'm gone but I'm tryin' to give you the life that I never had  
I can see you're sad, even when you smile, even when you laugh  
I can see it in your eyes, deep inside you wanna cry  
'Cause you're scared, I ain't there, daddy's with you in your prayers  
No more cryin', wipe them tears, daddy's here no more nightmares  
We gon' pull together through it, we gon' do it Laney  
Uncle's crazy ain't he yeah but he loves you girl and you better know it  
We're all we got it this world, when it spins, when it swirls  
When it whirls, when it twirls, two little beautiful girls  
Lookin' puzzled, in a daze, I know it's confusin' you  
Daddy's always on the move, mama's always on the news  
I try to keep up sheltered from it but somehow it seems  
The harder that I try to do that, the more it backfires on me  
All the things growin' up as Daddy that he had to see  
Daddy don't want you to see but you see just as much as he did  
We did not plan it to be this way, your mother and me  
But things have got so bad between us, I don't see us ever  
Bein' together ever again, like we used to be when we was teenagers  
But then of course everything always happens for a reason  
I guess it was never meant to be but it's just somethin'  
That we have no control over and that's what destiny is  
But no more worries, rest your head and go to sleep  
Maybe one day we'll wake up and this'll all just be a dream  
Now hush little baby, don't you cry  
Everything's gonna be alright  
Stiffen that upper lip up, little lady, I told ya  
Daddy's here to hold you through the night  
I know mommy's not here right now  
And we don't know why, we feel how we feel inside  
It may seem a little crazy, pretty baby  
But I promise, momma's gon' be alright  
Heh, it's funny, I remember back one year  
When daddy had no money  
Mommy wrapped the Christmas presents up

And stuck 'em under the tree  
And said some of 'em were from me  
'Cause daddy couldn't buy 'em  
I'll never forget that Christmas  
I sat up the whole night cryin'  
'Cause daddy felt like a bum, see daddy had a job  
But his job was to keep the food on the table for you and mom  
And at the time, every house that we lived in  
Either kept gettin' broken into and robbed or shot up on the block  
And your mom, was savin' money for you in a jar  
Tryin' to start a piggy bank for you so you could go to college  
Almost had a thousand dollars, 'til someone broke in and stole it  
And I know it hurt so bad, it broke your momma's heart  
And it seemed like everything was just startin' to fall apart  
Mom and dad was arguin' a lot, so momma moved back  
On the Chalmers in the flat, one bedroom apartment  
And dad moved back to the other side of 8 Mile on Novara  
And that's when daddy went to California with his CD  
And met Dr. Dre and flew you and momma out to see me  
But daddy had to work, you and momma had to leave me  
Then you started seein' daddy on the TV  
And momma didn't like it and you and Laney were too young  
To understand that papa was a rollin' stone, momma developed a habit  
And it all happened too fast for either one of us to grab it  
I'm just sorry, you were there and had to witness it first hand  
'Cause all I ever wanted to do was just make you proud  
Now I'm sittin' in this empty house, just reminiscin', lookin'  
At your baby pictures, it just trips me out to see how much  
You both have grown, it's almost like you're sisters now  
Wow, guess you pretty much are and daddy's still here  
Laney, I'm talkin' to you too, daddy's still here  
I like the sound of that, yeah, it's got a ring to it don't it?  
Shh, momma's only gone for the moment  
Now hush little baby, don't you cry  
Everything's gonna be alright  
Stiffen that upper lip up little lady, I told ya  
Daddy's here to hold you through the night  
I know mommy's not here right now  
And we don't know why, we feel how we feel inside  
It may seem a little crazy, pretty baby  
But I promise, momma's gon' be alright  
And if you ask me to  
Daddy's gonna buy you a mockingbird, I'ma give you the world  
I'ma buy a diamond ring for you, I'ma sing for you  
I'll do anything for you to see you smile

And if that mockingbird don't sing  
And that ring don't shine, I'ma break that birdie's neck  
I'd go back to the jeweler who sold it to ya  
And make him eat every carat, don't fuck with dad, ha ha
