

Thursday Girl

[Mitski](#)

Glory, glory, glory
To the night that shows me what I am
As I go to the party
On my knees
Saying take it
Oh please And tell me no
Tell me no
Tell me no
Tell me no
Somebody please tell me no
Tell me no
Tell me no
Tell me no Glory, glory, glory to the night
It shows me what I am
I'm not happy or sad, just up or down
And always bad
Tell me no
Tell me no
Tell me no
Tell me no
Somebody please tell me no
Tell me no
Tell me no
Tell me no
Somebody here tell me no
Tell me no
Tell me no
Tell me no
