

Under the God

Tin Machine

Skin dance back-a-the condo
Skin heads getting to school
Beating on Blacks with a baseball bat
Racism back in rule White trash picking up Nazi flags
While you was gone, there was war
This is the West, get used to it
They put a swastika over the door [Chorus]
Under the God
Under the God
One step over the red line
Under the God
Under the God
Ten steps into the crazy Washington heads in the toilet bowl
Don't see supremacist hate
Right wing dicks in their boiler suits
Picking out who to annihilate Toxic jungle of Uzi trails
Tribesmen just wouldn't live here
Fascist flare is fashion cool
Well, you're dead-you just ain't buried (yet) [Chorus] As the walls came tumbling down
So, the secrets that we shared
I believed you by the palace gates.
Now the savage days are here Under the gods
Crazy eyed man with a shot gun
Hot headed creep with a knife
Love and peace and harmony
Love you could cult with a life [Chorus]
