Beautiful World (Extended Version)

Anya

How beautiful is this world, it shines for you ...
How beautiful is this world, it shines for you ...
It shines for you ...I'm lost in your eyes,
Ocean blue in the skies,
I can't control my feelings for you
I'm found in your kiss,
Make you smile, cry your tears.
You chase all my feals tonight
It feels divine.How beautiful is this world, it shines for you ...
How beautiful is this world, it shines for you ...
It shines for you ...
How beautiful is this world, it shines for you ...
It shines for you ...You know that I try,
I get love, I survive,
I can't control my feelings for you
It feels just divine, flying high, you and I,
I shake all my fears away tonight, it feels allright.How beautiful is this world, it shines for you ...How beautiful is this world, it shines for you ...
How beautiful is this world, it shines for you ...It shnes for you ...
