

# I Survive

## Avalon

I can feel it comin' now, that same old pain  
Tryin' to work me like a prisoner  
Shackled bound and shamed  
But in my soul I know  
That You give me the strength it takes to  
Break these chains I survive  
Life keeps comin' at me  
Doesn't break me  
I'm never going down  
Anytime  
I need strength I know You'll help me  
Make it  
I survive Don't know what tomorrow brings  
Don't wann guess  
But with You by my side I know I can face  
Any test  
And so I'll honor You by stnading tall  
And breathing in this love that I've been blessed That's my promise, won't compimise  
You're the truth, that kills the lies  
Put me through it , I'm not afraid  
You rescue me , day by day  
With you I can never fake it  
Won't go down, You help me take it  
Help me make it
