

# Like You Say You Do

Luke Bryan

I watch you tell everyone  
That she is your only one  
But I see the other side  
Know all the things you try to hide  
Man, you put you up a real good front  
You thinkin' you've got everyone  
But you ain't got me fooled  
I see right through  
If you love her like you say you do  
Then why don't you love her like you say you do  
'Cause I wanna love her like you say you do  
If you ain't gonna treat her right  
Then don't make her lie awake another night  
Waitin' on another dream that just ain't comin' true  
If you ain't gonna love her like you say you do  
Then I wanna love her like you say you do  
Think you go as simple as you walk away  
There ain't too much you even gotta say  
You don't have to hurt her anymore  
It's just a turnin' of a door  
And don't you worry about bein' gone  
'Cause she won't want for nothing too long  
'Cause I see what you couldn't see  
And I wanna be what you wouldn't be  
If you love her like you say you do  
Then why don't you love her like you say you do  
'Cause I wanna love her like you say you do  
If you ain't gonna treat her right  
Then don't make her lie awake another night  
Waitin' on another dream that just ain't comin' true  
If you ain't gonna love her like you say you do  
Then I wanna love her like you say you do  
If you ain't gonna treat her right  
Then don't make her lie awake another night  
Waitin' on another dream that ain't comin' true  
If you ain't gonna love her like you say you do  
Then I wanna love her like you say you do  
No, no, no  
If you ain't gonna love her like you say you do  
Then I wanna love her like you say you do  
I wanna love her, I wanna love her, I wanna love her  
Like you say you do  
I wanna love her, I wanna love her  
Like you say you do
