

Blues Before Sunrise

Ray Charles

I've got the blues before sunrise
Tears standing in my eyes
I've got the blues before sunrise
Tears standing in my eyes
It's such a miserable feeling
A feeling I do despise
Seems like everybody
Everybody's down on me
Seems like everybody
Everyone's down on poor me
I'm gonna take my troubles
Cast them in the deep blue sea
Yes, I love my baby
But my baby won't be here
Yes, I love my baby
But my baby won't be here
I'm gonna buy me a 45
Put my baby in her grave
