Montell Jordan

Listen

Girl, I am down with you

(True)

Are you down for me?

(True)Can I trust you with my life?

(True)

Thats how we supposed to be

(So true)We can get this dough

(True)

Live out our wildest dreams

(True)Trips around the world

(True)

Make love in Italy, yeah

(So true)Everyday and every night

You show me why, you're enough for me

So, I am a be the one you need

And in return speaking truthfullyIm down with a girl like you

Tell me are you down for me?

(True)

My baby is stacked, she always got my back

And I swear I could never lose thatIm down with a girl like you

Tell me are you down for me?

(True)

My baby is stacked, she always got my back

And I swear I could never lose thatOoh, I have never met

(True)

A sexy girl like you

(True)I never have to trip

(True)

About you and another dude

(So true)We can put in work

(True)

Time will only tell

(True)If you're down for life

(True)

Then its us against the world

(So true)Everyday and every night

You show me why, you're enough for me

So, I am a be the one you need

And in return speaking truthfully
Im down with a girl like you
Tell me are you down for me?
(True)

My baby is stacked, she always got my back
And I swear I could never lose that
Im down with a girl like you
Tell me are you down for me?
(True)

My baby is stacked, she always got my back
And I swear I could never lose that
Im down with a girl like you
Tell me are you down for me?
(True)

My baby is stacked, she always got my back
And I swear I could never lose that
Im down with a girl like you
Tell me are you down for me?
(True)

My baby is stacked, she always got my back
And I swear I could never lose that, I'm
One love, one love
You're lucky if you have just one love
One love, one love
You're lucky if you have just one love
One love, one love
You're lucky if you have just one love
One love, one love
You're lucky if you have just one love
Im down with a girl like you
Tell me are you down for me?
(True)

My baby is stacked, she always got my back
And I swear I could never lose that
Im down with a girl like you
Tell me are you down for me?
(True)
