

Emotional Fire

[Cher](#)

I can't wait 'til I see you baby
I can't wait 'til the night comes fallin' down
I gotta see you again And even if it couldn't be forever
I'd trade a lifetime for this night together
Hold on, hold on My heart is burning with the heat of this Emotional fire, every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire?
Baby feel warm, give me some
Emotional fire, emotional fire There's a feelin' when I'm here beside you
Couldn't leave you and I wouldn't try to
Baby, I'd only need you again There ain't nothing that can break this fever
The love gets stronger and the passion deeper
Hold on, hold on I can't let go 'cause there's no stopping this Emotional fire, every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire?
Baby feel warm, give me some
Emotional fire, emotional fire I can't wait until I see you baby
I can't wait 'til the night comes fallin'
Hold on, hold on My heart is burning with the heat of this Emotional fire every time I see you
I'm on fire, every time we touch
Can't you feel me burning with desire?
Baby feel warm, give me some
Emotional fire, emotional fire Emotional fire
Emotional fire
Emotional fire
