## Legally Blynd

You  
LegallyBlynd

See all of my life  
Iâ€™ve been tryin to find me  
Someone like  
Youuuu ohhh  
And now youâ€™re here  
Iâ€™m never gonna let you go baby  
Because Iâ€™m so in love with youuuu ohhh  
You brought me so much love  
I want all the world to see  
That Iâ€™m so in love with  
youuuu  
And I appreciate you baby for the things you do for me  
I love it  
I appreciate youuuuu  
From the first time that I met you  
I knew you were the one for me  
And I know that Iâ€™m the one for youuuuu  
And the morning when I wake up and see you next to me  
Iâ€™m a blessed man because Iâ€™m next to youuuuu  
As I go through my day the thoughts of you  
Never go away I donâ€™t know what to do  
Cant keep my mind off  
youuuu  
Theyâ€™ll never be another like you for me and Iâ€™ll never let it go  
I got youuuuu  
I can be in a crowd of people but still Iâ€™m so lonely  
cause I know where I wanna be and thats next to  
youuuuu  
And whenever you go away it puts a cloud on my sunshiny day  
Until you come back Iâ€™ll be missing youuuuu  
Every since we been together Iâ€™ve learned so many things  
I even learn that I can change and itâ€™s because of  
youuuuu  
See all of my life I been tryin to find me someone like

youuuuuu
