Rolling In The Deep

Carly Rose Sonenclar

There's a fire starting in my heart,
Reaching the fever pitch and it's bringing me out of the dark.
Finally, I can see you crystal clear,
Go ahead and sell me out and i'll lay your ship bare.
See how i'll leave with every peice of you,
Don't underesimate the things that i will do.The scars of your love, they leave me breathless,
Thus they keep me thinking that we almost had it
all.We're rolling in the deep
