

# Rings Of Power(Poem Tolkien)

## Logan Epic Canto

Three rings for the heaven kings under the sky,  
Seven for the dwarf lords in their house of stone,  
    Nine for the mortal men doomed to die,  
One ring for the Dark Lord on his dark throne,  
    In the land of Mordor where the shadows lie.

    One ring to rule them all one ring to find them,  
One ring to bring death all lead in the darkness by them,  
    One ring to rule them all one ring to find them,  
One ring to bring death all lead in the darkness by them,  
    In the land of Mordor where the shadows lie.

    One ring to rule them all one ring to find them,  
One ring to bring death all lead in the darkness by them,  
    One ring to rule them all one ring to find them,  
One ring to bring death all lead in the darkness by them,  
    In the land of Mordor where the shadows lie,  
    In the land of Mordor where the shadows lie.
